

FIVE ROWS

DURANT RANCH VINEYARDS

2015 CABERNET SAUVIGNON

TASTING NOTES

The 2015 Cabernet Sauvignon is the fourth Cabernet release from Five Rows and from Lodi. Aged entirely in French oak, it shows massively rich flavors of blackberries and cassis. This medium-bodied wine shows lush mouthfeel, balance and complexity. The ripe, sweet tannins and a touch of toasted oak complete the gentle finish.

FIVE ROWS BACKGROUND

Five Rows wines have been made in St. Helena, CA since our founding. Our fruit comes from select vineyards that produce elegant and impressive wines. We believe that decades of top winemaking experience allows us to create some of the best value wines at this price point. Taste the value of Five Rows yourself and see if you agree.

THE 2015 HARVEST

The 2015 harvest was quite pleasant in California from a winemaker's standpoint, much like the 2014. The consistent spring weather allowed for steady growth and the weather turned very nice, allowing for good growth from bud break and beyond. A lack of rain throughout the spring and fall allowed for extended hang time and good fruit ripening.
